4. JOINT ESCROW INSTRUCTIONS, RECEIPT, AND PURCHASE PRICE:

4.1 The Parties acknowledge Buyer has tendered the Down Payment in the form of a certified check, cashier's check, money order, business/personal check, and said instrument is made payable to the Escrow Agent or, if permitted by Auctioneer, a wire sent directly to the Escrow Agent. The balance of the Purchase Price, Buyer's Premium (if any), Pre-paid Service Fee (if any), plus costs due from Buyer shall be paid by cash, wire, cashier's check or certified check at Closing Buyer authorizes Escrow Agent to process the check itself, or to process the check electronically through ACH or

other carrier. Buyer has funds available to cover this check at the time of execution and authorizes an electronic processing in the discretion of Escrow Agent. The Buyer guarantees the Down Payment funds and shall be personally liable in the event the form of Down Payment is not available in immediately available funds, including the cost of bank fees, collection fees, and processing fees. In those instances where the Down Payment was transmitted to the Auctioneer, Auctioneer shall transfer the Down Payment to the Escrow Agent upon Seller's acceptance of Buyer's offer. The Down Payment shall be held by Escrow Agent and disbursed to the Closer identified in the Contract for Sale prior to the Closing Date and following clearance of funds by the issuing financial institution. Interest, if any, earned on the Down Payment shall be deemed part of the Down Payment and shall be applied together with the principal portion of the Down Payment to the Purchase Price. Notwithstanding the foregoing or anything to the contrary herein, Buyer and Seller hereby understand and agree that if the transaction contemplated under the Contract for Sale closes on the Closing Date, any interest earned on the Down Payment shall not be deemed a Buyer credit on the Closing statement and credited to the Buyer upon the Closing, but shall upon the Closing, be a Seller credit on the Closing statement and remain the property of Seller. The Parties agree the Down Payment is non-refundable, and, at Seller's request, shall immediately be released to Seller. The Escrow Agent is authorized to disburse the Down Payment pursuant to the terms of this section without further instruction from Buyer or Seller.

4.2 If Seller accepts Buyer's high bid, then the Contract for Sale shall continue in full force and effect and the Closing Date shall occur no later than thirty (30) days following the date of Seller's acceptance, except as otherwise may be allowed in accordance with the terms of the Contract for Sale. Buyer(s) and Seller agree that Seller may terminate the Contract for Sale, in Seller's sole and absolute discretion, in the event the Seller does not accept the Buyer's high bid. BUYER UNDERSTANDS AND AGREES IF SELLER HAS PERFORMED SELLER'S OBLIGATIONS UNDER THE CONTRACT FOR SALE, AND IF AT CLOSING THE BUYER FAILS TO PAY THE BALANCE OF THE PURCHASE PRICE OR TO PERFORM ANY OTHER OBLIGATIONS UNDER THE CONTRACT FOR SALE, THE DOWN PAYMENT WILL BE DISBURSED PURSUANT TO SECTION 7 OF THE CONTRACT FOR SALE. BUYER HEREBY DIRECTS ESCROW AGENT AND CLOSER TO DISBURSE THE DOWN PAYMENT FUNDS PURSUANT TO THE TERMS OF THE CONTRACT FOR SALE HEREIN.

4.3 If Seller rejects Buyer's high bid and elects to terminate the Contract for Sale, Escrow Agent, or Closer, as the case may be, shall return to Buyer(s) any Down Payment tendered by Buyer(s), such return contingent upon confirmation of the Down Payment having been received as "good funds". Auctioneer is authorized to provide the necessary instruction to Escrow Agent and/or Closer directing the return of Buyer(s) Down Payment, and the Escrow Agent, or Closer, as the case may be, shall release such monies to Buyer(s) pursuant to this section. Effective upon release of the Down Payment to Buyer(s), the Contract for Sale shall be cancelled and Buyer and Seller shall be relieved of any further liability and/or obligation to each other under the Contract for Sale. Buyer(s) agrees to release Seller, Auctioneer, Closer, and Escrow Agent from and against any and all liabilities in connection with the transaction and the Contract for Sale. BUYER HEREBY GRANTS SELLER THE UNILATERAL RIGHT TO EXECUTE CANCELLATION INSTRUCTIONS IN THE EVENT THAT SELLER ELECTS TO CANCEL AND TERMINATE ESCROW PURSUANT TO THE TERMS OF THIS SECTION.

4.4 Escrow Agent is acting hereunder without charge as an accommodation to Buyer and Seller, it being understood and agreed that Escrow Agent shall not be liable for any error in judgment or any act done or omitted by it in good faith or pursuant to court order, or for any mistake of fact or law. Escrow Agent shall not incur any liability in acting upon any document or instrument believed thereby to be genuine. Escrow Agent is hereby released and exculpated from all liability hereunder, except only for willful misconduct or gross negligence.

5. TITLE AND COSTS:

5.1 Buyer shall receive at or before Closing an Owner's Title Insurance Policy (a.k.a. "Title Insurance Commitment" until such policy is issued), which the Parties agree shall be ordered and/or prepared through Closer from an issuer Closer selects, at Buyer's expense, with a face value equal to the High Bid herein, issuing insurable title subject to the following "Permitted Title Exceptions": (i) mineral, oil and gas interest (whether owned, severed, or reserved); (ii) all easements, encroachments, overlaps, discrepancies or conflicts in boundary lines, shortage in area, or other matters of record or which could be disclosed by an accurate and complete survey or inspection of the premises; (iii) all restrictions on the use of the Property, whether or not recorded, under existing and future laws, ordinances, and regulations; (iv) subdivision, deed, and plat restrictions of record; (v) current city, state and county ad valorem property and sanitary sewer taxes not yet due and payable; (vi) current leases affecting the Property; (vii) customary exceptions made to the Title Commitment by the Issuer of the Title Commitment and (viii) other easements, restrictions, encumbrances or mortgages specified in this Contract or any exhibit incorporated herein. "Preclusion to title" shall be in the sole discretion of the Closer or Title Examiner and shall mean any issue which would preclude clear title or transfer thereof, including city inspections, occupancy certificates, tax stamps, boundary/title disputes, lost deeds, or payoff statements. No matter shall be construed as a valid objection or preclusion to title under this Contract unless it is a) not a "Permitted Title Exception" above, and b) is construed to be a valid objection or preclusion to title by the title insurance examination attorney chosen by Closer or the policy issuer (such attorney shall be deemed Buyer's attorney for title examination purposes only), and c) is communicated to the Parties prior to Closing. In case of such valid objection or preclusion to title, Seller shall, at Seller's option: have one-hundred and twenty (120) days (the "Cure Period") from the date of the original Closing or such additional time as may be agreed to in writing by the Parties to satisfy such objections and preclusions; or choose to terminate the transaction by returning Buyer's down payment upon which the parties shall incur no further liability to the transaction or each other. If such objections cannot be satisfied within the Cure Period, the Down Payment shall be returned to the Buyer and this Contract shall be of no further force and effect.

5.2 The Parties acknowledge and agree the following costs were estimated and disclosed by Auction Company prior to the Auction or Sale:

5.2.1 SELLER shall pay their Closing fee, and all: State deed tax or stamps; the cost of certifying base abstracts (if required); filing fees for releases (if any); bankruptcy search fee (if any); and any other document fees incurred by Seller (including lease assignment/estoppels). Seller shall deliver to Closer at or before Closing the duly executed and acknowledged Deed for delivery to Buyer upon payment of the Total Purchase Price.

5.2.2 BUYER shall pay their Closing fee, and all: Title exam and search fees; title insurance premium(s); filing fees for deed and any note/mortgage; plat, survey, inspection or other fees announced or advertised for the Auction; costs of supplemental abstracting (if required); and any and all other Closing costs incurred by Buyer. Buyer shall also pay, in connection with each Property purchased hereunder, a Buyer's Premium as indicated on Page 1 of this Contract, which, in addition to the High Bid, shall constitute the "Total Purchase Price." Buyer shall deliver to Closer at or before Closing, for the benefit of Seller: payment in full of the unpaid portion of the Total Purchase Price; all such documents as the Closer or Seller shall require prior to or at the Closing to evidence and confirm the power and authority of Buyer to close the transaction contemplated herein; an affidavit waiving inspection and assuming payment of ad valorem and land benefit taxes for the current calendar year and thereafter; and such other documents, instruments and certificates as are contemplated herein to effect and complete the Closing.

5.2.3 If the "Quick Close" option was available for this sale, as shown in DISCLOSURES section, and Buyer has paid the full Total Purchase Price, applicable service fees and all other announced costs in full herein on the day of the Auction, Seller shall pay on behalf of Buyer their closing fee, the title exam and search fees, owner's title insurance premium and the filing fees for the deed; and Buyer shall make arrangements with the Closer identified above to execute all remaining documents required and/or customary for Closing within five (5) business days from the date herein or the earliest date Closer can accomplish such.

5.3 The real estate licensee(s) representing the parties in connection with this transaction are to be paid broker fees and compensation pursuant to a separate agreement or agreements. The Closer is hereby directed to pay the fees and compensation of the licensee(s) at Closing out of the proceeds of the sale. If the sale proceeds are insufficient to pay the fees and compensation in full, the party owing the fees and compensation will pay any shortfall at Closing. If more than one licensee is involved in the transaction, the Closer is directed to pay each licensee its respective portion of said fees and compensation. In the event the sale is not Closed because of the failure or refusal of Buyer or Seller to perform any of their respective obligations, the defaulting party, being familiar with the fees and compensation to be paid to the licensee(s), shall immediately pay the licensee(s) the full fees and compensation the licensee(s) would have been entitled to had the sale Closed. This contractual obligation on the part of the defaulting party shall: (1) arise by virtue of this Contract; (2) not be limited by any prior agreement of the licensee(s) and the defaulting party; (3) be in consideration of the promises herein and the valuable services performed by the licensee(s) in this Contract; and (4) survive the termination of this Contract. Buyer's representation, if any, shall be identified and described herein or pursuant to a Buyer Representation Amendment attached hereto and made a part hereof. Buyer warrants not to have contacted or communicated with any real-estate agent or broker about the Property, other than Broker and any licensee representing Buyer identified as described in the preceding sentence, and no other real-estate agent or broker was in any way instrumental in effecting this sale of the Property and there are no brokerage commissions, expenses, fees, or other sums due to any other real-estate agent or broker. Buyer agrees to hold Seller, Broker, Auction Company and Auctioneer harmless against any claim by any real-estate agent or broker not properly registered with and qualified by Auction Company in connection with this transaction, and Buyer shall indemnify Seller, Broker, Auction Company and Auctioneer against any action, arbitration, award, claim, cost, damage, deficiency, demand, expense, injury, judgment, liability, loss, or suit of every kind, including attorneys' fees and costs of defense, asserted by a such real-estate agent or broker as a result of, or in relation to, the Auction, this Contract, the transaction contemplated, or any related dealings.

6. TAXES AND PRORATIONS: Seller shall pay in full: (i) all special assessments against the Property and of record at the date of Closing that are currently payable, Buyer agrees to be bound by same and to assume any special assessments (including payments) that may become payable after the Closing date; (ii) all taxes, other than general ad valorem taxes for the current calendar year, which are a lien on the Property at the date of Closing; and (iii) the cost of any item of workmanship or material furnished prior to the date of Closing which is or may become a lien on the Property. If this sale or Buyer's use of the Property results in the assessment of additional taxes, whether for periods prior to, at or subsequent to the Closing, said taxes shall be the obligation of Buyer. Unless otherwise specified, the following items shall be prorated between the Parties as of the date of Closing:

(i) rents, if any; and (ii) general ad valorem taxes for the current calendar year, provided that, if the amount of such taxes has not then been fixed, the pro-ration shall be based upon the rate of levy for the previous calendar year. Any security deposit held by Seller from one or more tenants of the Property shall be transferred to Buyer at Closing and Buyer shall then assume all further liability to tenants, both in relation to such deposits and in relation to any then-existing leases covering all or any part of the Property. After Closing Buyer shall indemnify and hold Seller and Auction Company harmless from all liability to any tenant.

7. CLOSING AND TRANSFER:

7.1 If the Closer or title issuer selected by Closer determines there are valid objections or preclusions to title as defined herein, the Closing shall be extended for the time permitted to allow Seller to cure same, as provided in the section entitled "Title and Costs" above. Upon notice from Seller or Auction Company that such objections have been satisfied, the Closer shall fix a date and time for Closing within two (2) business days. If Buyer requests an extension of the Closing, Seller shall have the sole right to grant Buyer an extension of Closing, for which Buyer shall pay Seller in advance a per diem fee equal to \$75 or 5/100 of a percent of the total sales price herein (.0005 x Sales Price), whichever is greater. Until Closing, risk of loss to the Property, ordinary wear and tear excepted, shall be borne by Seller; after Closing such risk shall be borne by Buyer. In the event the Property suffers damage after the Auction but prior to Closing, Seller may, at its option, choose to 1) repair the premises or compensate Buyer for reasonable repairs at Closing; or 2) cancel this Contract and refund Buyer's down payment funds on deposit. BUYER SHALL NOT BE GRANTED POSSESSION OR USE OF THE PROPERTY IN ANY MANNER WHATSOEVER UNTIL CLOSING.

7.2 Buyer shall execute and deliver with the Closer all federal, state and local disclosures and other documents concerning the Property and the transaction that Buyer is required to execute and deliver (i) under applicable laws and regulations and (ii) by the Closer, and shall perform all other closing obligations of this Contract, on or prior to the Closing Date.

8. BREACH OR FAILURE TO CLOSE: The parties agree that If SELLER has performed Seller's obligations under this Contract, and if at the Closing the Buyer fails to pay the balance of the Total Purchase Price or to perform any other obligations under this Contract, then Seller may, at Seller's option, either a) unilaterally cancel and terminate Buyer's right to purchase the Property, including all legal and equitable interest, if any, Buyer may have regarding the Property and retain all sums previously paid on the Total Purchase Price, including without limitation, the Down Payment and any other earnest money, as liquidated damages, or b) elect to recover from Buyer the actual damages incurred by Seller, including loss of the balance of the Total Purchase Price, costs of resale, attorney's fees, and such other incidental damages as may be lawfully recovered. If BUYER has performed Buyer's obligations under this Contract and Seller fails to perform its obligations under the Contract, then Buyer may, as Buyer's sole and exclusive remedy, terminate Buyer's obligation to purchase the Property, by written notice to Seller, and recovery to Buyer shall be limited to the Down Payment and any other earnest money deposited on the Property, except in the event that the Property was sold absolute, without reserve. In the event that the sale was absolute, Buyer shall maintain a right to bring a claim to enforce specific performance of this Contract.

9. LIMITATION OF REMEDIES: BUYER AGREES THAT IN NO EVENT SHALL SELLER, BROKER, AUCTION COMPANY, CLOSER OR AUCTIONEER BE LIABLE TO BUYER FOR ACTUAL, PUNITIVE, SPECULATIVE OR CONSEQUENTIAL DAMAGES. BUYER SHALL NOT BE ENTITLED TO BRING A CLAIM TO ENFORCE SPECIFIC PERFORMANCE OF THIS CONTRACT EXCEPT IN THE EVENT THAT THE PROPERTY WAS SOLD WITHOUT RESERVE (ABSOLUTE). THE PARTIES AGREE THAT NEITHER SHALL MAKE A CLAIM FOR ANY BREACH OF THIS CONTRACT, FOR RESCISSION OR REVOCATION OF ACCEPTANCE, OR FOR ANY WARRANTY, MISREPRESENTATION, MISTAKE OR TORT UNLESS SUCH PARTY FIRST NOTIFIES THE OTHER PARTIES IN WRITING OF THE BASIS, NATURE AND AMOUNT OF SUCH PARTY'S CLAIM WITHIN ONE-HUNDRED AND EIGHTY (180) DAYS AFTER THE DATE OF THIS CONTRACT, OR IF CLOSING OCCURS, WITHIN THIRTY (30) DAYS AFTER THE CLOSING DATE, WHICHEVER IS EARLIER; AND THAT ANY AND ALL CLAIMS AFTER SUCH PERIOD SHALL BE VOID AS BETWEEN THE PARTIES. ANY REQUEST FOR ARBITRATION BY ANY PARTY MUST BE FILED WITHIN ONE (1) YEAR AFTER THE DATE OF THIS CONTRACT, AND SHALL BE LIMITED TO THE REMEDIES PREVIOUSLY DESCRIBED HEREIN, OR IF THE SALE HAS ALREADY CLOSED, BUYER AGREES ITS SOLE AND EXCLUSIVE REMEDY, AT LAW OR IN EQUITY, SHALL BE LIMITED TO LIQUIDATED DAMAGES NOT TO EXCEED 1% OF THE HIGH BID HEREIN. THE PARTIES EXPRESSLY STIPULATE AND AGREE THAT IT IS DIFFICULT OR IMPOSSIBLE TO ACCURATELY ASCERTAIN THE AMOUNT OF DAMAGES THAT MIGHT BE SUFFERED BY BUYER (UNLESS THE SALE WAS NOT CLOSED AND BUYER'S DOWN PAYMENT WAS RETURNED, IN WHICH EVENT IT IS STIPULATED AND AGREED HEREIN THAT BUYER WILL HAVE SUFFERED NO DAMAGES) AND THAT THE AMOUNT OF 1% OF THE HIGH BID IS A REASONABLE ESTIMATE OF THE AMOUNT OF SUCH DAMAGES TO BUYER.

10. DISCLAIMER:

FOR THE AVOIDANCE OF DOUBT, THE SELLER’S LIMITATIONS OF LIABILITY AND BUYER’S WAIVERS AND RELEASES AS SET FORTH HEREIN ARE NOT INTENDED TO WAIVE BUYER’S RIGHT TO BRING AN ACTION FOR SPECIFIC PERFORMANCE IN THE EVENT THE PROPERTY WAS AUCTIONED ABSOLUTE, WITHOUT RESERVE.

11.5 SELLER AND BUYER JOINTLY AND SEVERALLY AGREE TO INDEMNIFY, DEFEND AND HOLD CLOSER, BROKER, AUCTION COMPANY AND AUCTIONEER HARMLESS AGAINST ANY AND ALL LOSSES, CLAIMS, DAMAGES OR LIABILITIES AND EXPENSES NOT RESULTING FROM CLOSER’S, BROKER’S, AUCTION COMPANY’S AND AUCTIONEER’S BAD FAITH OR GROSS NEGLIGENCE, INCLUDING COSTS OF INVESTIGATION, ATTORNEY FEES, AND DISBURSEMENTS, WHICH MAY BE IMPOSED UPON OR INCURRED BY CLOSER, BROKER, AUCTION COMPANY AND AUCTIONEER HEREUNDER RELATIVE TO THE PERFORMANCE OF THEIR DUTIES RELATED TO THE PARTIES OR THE PROPERTY, INCLUDING WITHOUT LIMITATION ANY LITIGATION ARISING FROM OR IN RESPECT OF THIS CONTRACT OR THE TRANSACTIONS CONTEMPLATED HEREBY. 12. LEAD-BASED PAINT AND/OR LEAD-BASED PAINT (FOR PRE-1978 HOUSING ONLY) AND OTHER HAZARDS DISCLOSURES:

12.1 Lead Warning Statement. Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase.

12.2 Seller's Disclosure. As evidenced by Seller's signature on the “Disclosure of Information on Lead-Based Paint and/or Lead-Based Paint Hazards” form attached hereto as Addendum “A” and made a part hereof, Seller has no knowledge of lead-based paint and/or lead-based paint hazards in the housing and has no reports or records pertaining to lead- based paint and/or lead-based paint hazards in the housing.

12.3 Buyer's Acknowledgment. As evidenced by Buyer's signature herein Buyer has received copies of all information listed above, including the pamphlet Protect Your Family from Lead in Your Home (a copy may be downloaded online at <http://epa.gov/lead/pubs/leadpdf.pdf>) and has received a 10-day opportunity prior to the Auction to conduct a risk assessment or inspection for the presence of lead-based paint and/or lead-based paint hazards, and/or has waived the opportunity to conduct a risk assessment or inspection for the presence of lead-based paint and/or lead-based paint hazards.

12.4 Agent's Acknowledgment. As evidenced by Auction Company's name hereon Auction Company (Agent) has informed the seller of seller's obligations under 42 U.S.C. 4852d and is aware of its responsibility to ensure compliance.

12.5 Certification of Accuracy. The Parties have reviewed the information above and hereby certify as evidenced by their signatures herein on the date herein that to the best of their knowledge the information they have provided is true and accurate.

12.6 NOTICE. Institutional and Fiduciary Sellers (courts, government agencies, banks and trustees) have not occupied the Property and have NO information to provide for disclosure. Properties are sold 'As Is - Where Is' and should be fully inspected prior to bidding at Auction. SELLER AND BROKER AND/OR AUCTION COMPANY HAVE NO KNOWLEDGE OF THE SUBJECT PROPERTY OR ITS FIXTURES OR CONDITION AND ARE NOT RESPONSIBLE FOR SUCH. In the event that an individual or corporate Seller has completed a property condition statement or a list clarifying any conveyance of fixtures/apurtenances and/or personal property that may be located at or on the Property (“Schedule 1”), any such statement is attached hereto and incorporated herein by reference, as disclosed on the cover page of this Contract.

13. Additional Terms and Conditions.

13.1 Broker Representation; Disclaimer.

13.1.1 Broker’s Acknowledgments and Compensation Disclosure: The Parties expressly agree and acknowledge that BROKER IS WORKING WITH SELLER AS SELLER’S AGENT, as previously disclosed to both Parties upon first contact; that the identity of the Seller was available to Buyer at all times prior to the Auction; that Broker’s commission and/or other compensation in connection with the Auction is to be paid by Seller and Buyer; and that both Parties shall indemnify and hold the other and Broker (unless previously approved in writing by Broker) harmless from any claim for a commission or other compensation of any broker or agent purporting to have represented or assisted them. Buyer shall sign and deliver a “Brokerage Disclosure to Buyer” acknowledging Seller’s representation by Broker in connection with this transaction, a copy of which is attached hereto as Appendix “A-2” for reference.

13.1.2 Buyer’s Representation: Buyer acknowledges that, under Colorado law and pursuant to Auction Company/Broker’s status as Seller’s Agent, Buyer is not represented by Auction Company – Auction Company is the agent of Seller and represents the best interest of the Seller. Auction Company may perform ministerial acts to assist Buyer in the transaction. Buyer affirms that if represented by a Buyer’s Agent to represent the best interests of Buyer, Auction Company has been informed of the representation prior to auction. Buyer acknowledges receipt and understanding of the Agency Disclosure entitled “Understanding Whom Real Estate Agents Represent” attached hereto as Appendix A-2.

13.1.3 Scope of Services and Disclaimer. The Auction Company and Broker assisting in this transaction, including Auction Company’s and Broker’s owners, licensees, salespersons, agents, and employees, STRONGLY RECOMMENDS that Buyer and Seller each consult their own attorney, accountant, appraiser, architect, pest control expert, home inspector, insurance advisor, contractor, land surveyor, civil engineer, structural engineer, soils engineer, land use professional, zoning expert, environmental expert, designer, estate planner, title insurer, other professionals and/or subject matter experts should they have any questions within those fields about this transaction.

Buyer and Seller understand that neither the Auction Company nor Broker is an expert in and have not made any representations or warranties, and has not rendered any opinions or advice about: (a) the legal or tax consequences of this transaction and the sale, purchase, or ownership of the Property; (b) any matter which could have been revealed through a survey, title search or inspection of the Property; (c) the condition of the Property, any portion thereof, or any item thereon, including without limitation the condition of the roof, foundation and basement, and the nature and operating condition of the electrical, gas, heating, air conditioning, plumbing and water heating systems, and appliances; (d) building products and construction and repair techniques; (e) the necessity or cost of any repairs to the Property; (f) whether properly licensed or certified contractors have been used to make repairs, renovations and improvements to the Property; (g) hazardous or toxic materials or substances; (h) possible lead-based paint, radon, mold, bioaerosols and other biological or environmental contaminants which might exist or affect the Property; (i) termites and other wood destroying organisms; (j) the availability and cost of utilities or community amenities, including without limitation, water quantity, quality, color, or taste or operating conditions of public and/or private water systems, location, size or operating condition of on-site sewage disposal systems, the extensions of public utilities by local municipal authorities, existence or availability of public utilities, and any assessments, fees or costs for public utilities which might be imposed by local municipal authorities, should public utilities be extended or available to the subject Property; (k) the appraised or future value of the Property; (l) any conditions existing off of the Property which may affect the Property; (m) school zone; (n) the uses and zoning of the Property whether permitted or proposed; (o) the legality, validity, correctness, status, existence, or lack of any building permits which may have been required for the Property; or (p) the land area or dimensions of the Property, the exact location of the boundaries, or the size or location of any improvements on the Property; and hereby acknowledge that neither Party has relied or is relying upon the Auction Company or Broker relating to any such matters and fields of expertise. Accordingly, Buyer and Seller accept all risks in connection with such matters and fields of expertise, waive any claims and release and hold harmless the Auction Company and Broker, including the Auction Company’s and Broker’s respective owners, licensees, salespersons, auctioneers, agents, and employees, from any and all claims, liability or loss, including attorney fees and costs, arising out of or involving the same. This release shall survive the Closing or the earlier termination of this Contract.

13.1.4 Brokers' Fees. All obligations of the parties for payment of brokers’ fees are contained in separate written agreements.

13.2 Computation of Days. As used in this Contract, the term “day” shall mean the entire day ending at 11:59 p.m., United States Mountain Time (Standard or Daylight Savings as applicable). In computing a period of days, when the ending date is not specified, the first day is excluded and the last day is included. If any deadline falls on a Saturday, Sunday or federal or state holiday (collectively “Holiday”), such deadline shall be extended to the next day that is not a Saturday, Sunday or Holiday.

13.3 Recommendation of Legal And Tax Counsel. By signing this document, Buyer and Seller acknowledge that the Auction Company and Broker have advised that this document has important legal consequences and has recommended the examination of title and consultation with legal and tax or other counsel before signing this Contract. For additional information regarding title, title insurance and settlement agents, consumers in Colorado may reference the following consumer fact sheet: http://www.dora.state.co.us/real-estate/consumer/Title_Fact_Sheet.pdf.

13.4 Property Condition and Notices. No representations by Seller regarding the condition of Property or environmental hazards or violations of governmental laws, rules and regulations are expressed or implied. Buyer acknowledges and represents that Buyer is fully aware of the physical condition and state of repair of the Property, based on Buyer’s own inspection and investigation thereof prior to the Auction, and that Buyer is entering into this Contract based solely upon such inspection and investigation and not upon any information, data, statements or representations, written or oral, as to the physical condition, state of repair, use, cost of operation or any other matter related to the Property, given or made by Seller or Seller’s representatives, and shall accept

the same “as is, where is” in its present condition and state of repair, subject to reasonable use, wear, tear and natural deterioration between the date hereof and the date of Closing, without recourse or any reduction in the Purchase Price or claim of any kind for any change in such condition by reason thereof subsequent to the date of this Contract. A copy of the Colorado Seller's Property Disclosure (Residential or Commercial/Vacant Land, as applicable) (“Disclosure Statement”), signed by Seller, was provided to Buyer prior to Auction for information purposes only and is attached hereto as Appendix “A” for reference. The Disclosure Statement is not a representation or warranty of any kind concerning the condition of the Property of any kind by the Seller or by any representative of the Seller in this transaction and is not a substitute for any independent inspections or investigations that Buyer was encouraged to perform prior to Auction. A real estate licensee has no duty to Seller or Buyer to conduct an independent inspection or investigation of the Property and has no duty to independently verify accuracy or completeness of any statement made by Seller in said Disclosure Statement and any amendment thereof.

13.4.1 Common Interest Community Documents. The term CIC Documents consists of all owners’ associations (collectively “Association”) declarations, bylaws, operating agreements, rules and regulations, party wall agreements, minutes of most recent annual owners’ meeting and minutes of any directors’ or managers’ meetings during the six-month period immediately preceding the date of this Contract, if any (collectively “Governing Documents”), most recent financial documents consisting of (1) annual balance sheet, (2) annual income and expenditures statement, and (3) annual budget (collectively “Financial Documents”), if any (collectively, CIC Documents).

13.4.1.1 Common Interest Community Disclosure. [IF APPLICABLE] THE PROPERTY IS LOCATED WITHIN A COMMON INTEREST COMMUNITY AND IS SUBJECT TO THE DECLARATION FOR SUCH COMMUNITY. THE OWNER OF THE PROPERTY WILL BE REQUIRED TO BE A MEMBER OF THE OWNER’S ASSOCIATION FOR THE COMMUNITY AND WILL BE SUBJECT TO THE BYLAWS AND RULES AND REGULATIONS OF THE ASSOCIATION. THE DECLARATION, BYLAWS, AND RULES AND REGULATIONS WILL IMPOSE FINANCIAL OBLIGATIONS UPON THE OWNER OF THE PROPERTY, INCLUDING AN OBLIGATION TO PAY ASSESSMENTS OF THE ASSOCIATION. IF THE OWNER DOES NOT PAY THESE ASSESSMENTS, THE ASSOCIATION COULD PLACE A LIEN ON THE PROPERTY AND POSSIBLY SELL IT TO PAY THE DEBT. THE DECLARATION, BYLAWS, AND RULES AND REGULATIONS OF THE COMMUNITY MAY PROHIBIT THE OWNER FROM MAKING CHANGES TO THE PROPERTY WITHOUT AN ARCHITECTURAL REVIEW BY THE ASSOCIATION (OR A COMMITTEE OF THE ASSOCIATION) AND THE APPROVAL OF THE ASSOCIATION. PURCHASERS OF PROPERTY WITHIN THE COMMON INTEREST COMMUNITY SHOULD INVESTIGATE THE FINANCIAL OBLIGATIONS OF MEMBERS OF THE ASSOCIATION. PURCHASERS SHOULD CAREFULLY READ THE DECLARATION FOR THE COMMUNITY AND THE BYLAWS AND RULES AND REGULATIONS OF THE ASSOCIATION.

13.4.1.2 Not Conditional on Review. Buyer acknowledges that Buyer received a copy of the CIC Documents. Buyer reviewed them prior to placing a bid at Auction, agrees to accept the benefits, obligations and restrictions that they impose upon the Property and its owners and waives any right to terminate this Contract due to such documents.

13.4.2 Radon Gas: Radon is a naturally-occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines may have been found in buildings in the state in which the Property is located. Additional information regarding radon and radon testing may be obtained from <http://www.epa.gov/radon/pubs/citguide.html> and the applicable county public health unit. Buyer was given an opportunity to have an appropriately licensed person test the Property for radon prior to Auction.

13.4.3 Flood Zone: Buyer was given an opportunity prior to Auction to verify by survey and/or with the appropriate government agencies which flood zone the Property is in, whether flood insurance is required and what restrictions apply to improving the Property and rebuilding in the event of casualty. Seller makes no representations or warranties regarding whether the Property is located in a Special Flood Hazard Area or Coastal High Hazard Area or whether the building(s) are below the minimum flood elevation, unless otherwise expressly set forth in the Seller’s property disclosure statement. If the Property is in a Special Flood Hazard Area or Coastal High Hazard Area and the buildings are built below the minimum flood elevation, Buyer was deemed to have accepted the existing elevation of the buildings and zone designation of the Property when submitting the high bid at Auction.

13.4.4 Permits Disclosure: Except as may have been disclosed by Seller to Buyer in a written disclosure, Seller does not know of any improvements made to the Property which were made without required permits or made pursuant to permits which have not been properly closed.

13.4.5 PROPERTY TAX DISCLOSURE SUMMARY: BUYER SHOULD NOT RELY ON THE SELLER’S CURRENT PROPERTY TAXES AS THE AMOUNT OF PROPERTY TAXES THAT BUYER MAY BE OBLIGATED TO PAY IN THE YEAR SUBSEQUENT TO PURCHASE. A CHANGE OR OWNERSHIP, PROPERTY IMPROVEMENTS OR AREA-WIDE RE-ASSESSMENTS TRIGGER RE-ASSESSMENTS OF THE PROPERTY THAT COULD RESULT IN HIGHER PROPERTY TAXES. IF BUYER HAS ANY QUESTIONS CONCERNING VALUATION, BUYER SHOULD CONTACT THE COUNTY PROPERTY ASSESSOR OR APPRAISER’S OFFICE FOR FURTHER INFORMATION.

13.4.6 Mold, Fungi And Indoor Air Quality: Indoor mold contamination and the inhalation of bioaerosols (bacteria, mold spores, pollen and viruses) have been associated with allergic responses including upper respiratory congestion, cough, mucous membrane irritation, fever, chills, muscle ache or other transient inflammation or allergy. Claims have been asserted that exposure to mold contamination and bioaerosols has led to serious infection, immunosuppression and illnesses of neuro or systemic toxicity. Sampling of indoor air quality and other methods exist to determine the presence and scope of indoor contamination. Because individuals may be affected differently, or not affected at all, by the presence of mold or other bioaerosols, Buyer may wish to engage the services of a qualified professional to undertake an assessment and/or sampling of the Property. Assessments and samplings for the presence of mold and bioaerosols can be performed by qualified industrial hygienists, engineers, laboratories and home inspection companies that offer these services. Information about indoor air quality issues is available through the U.S. Environmental Protection Agency and may be obtained by contacting IAQ INFO, P.O. Box 37133, Washington, D.C. 20013-7133, 1-800-438-4318. The Seller, Auction Company and Broker specifically make no representations, guarantees, or warranties of any kind whatsoever, and fully and unconditionally disclaim any liability whatsoever for any action, arbitration, claim, cost, damage, deficiency, expense, loss, suit, or other demand of any kind, regarding bioaerosols or the remediation processes relating thereto.

13.4.7 Wind and Casualty Insurance: Seller, Auction Company and Broker make no representations or warranties regarding the availability of wind and casualty insurance with respect to the Property, the extent of coverage, deductions, thresholds, exclusions or other limitations and restrictions affecting the applicability of any such insurance or the amount of premiums, or increases in such premiums upon renewal, for such insurance even if available.

13.4.8 Special Taxing Districts. SPECIAL TAXING DISTRICTS MAY BE SUBJECT TO GENERAL OBLIGATION INDEBTEDNESS THAT IS PAID BY REVENUES PRODUCED FROM ANNUAL TAX LEVIES ON THE TAXABLE PROPERTY WITHIN SUCH DISTRICTS. PROPERTY OWNERS IN SUCH DISTRICTS MAY BE PLACED AT RISK FOR INCREASED MILL LEVIES AND TAX TO SUPPORT THE SERVICING OF SUCH DEBT WHERE CIRCUMSTANCES ARISE RESULTING IN THE INABILITY OF SUCH A DISTRICT TO DISCHARGE SUCH INDEBTEDNESS WITHOUT SUCH AN INCREASE IN MILL LEVIES. BUYERS SHOULD INVESTIGATE THE SPECIAL TAXING DISTRICTS IN WHICH THE PROPERTY IS LOCATED BY CONTACTING THE COUNTY TREASURER, BY REVIEWING THE CERTIFICATE OF TAXES DUE FOR THE PROPERTY, AND BY OBTAINING FURTHER INFORMATION FROM THE BOARD OF COUNTY COMMISSIONERS, THE COUNTY CLERK AND RECORDER, OR THE COUNTY ASSESSOR. IN THE EVENT THE PROPERTY IS LOCATED WITHIN A SPECIAL TAXING DISTRICT, BUYER ACCEPTS THE EFFECT OF THE PROPERTY’S INCLUSION IN SUCH SPECIAL TAXING DISTRICT AND WAIVES THE RIGHT TO TERMINATE FOR THAT REASON.

13.4.9 Carbon Monoxide Alarms. Note: If the improvements on the Property have a fuel-fired heater or appliance, a fireplace, or an attached garage and include one or more rooms lawfully used for sleeping purposes (Bedroom), the parties acknowledge that Colorado law requires that Seller assure the Property has an operational carbon monoxide alarm installed within fifteen feet of the entrance to each Bedroom or in a location as required by the applicable building code.

13.4.10 Methamphetamine Disclosure. If Seller knows that methamphetamine was ever manufactured, processed, cooked, disposed of, used or stored at the Property, Seller is required to disclose such fact. No disclosure is required if the Property was remediated in accordance with state standards and other requirements are fulfilled pursuant to § 25-18.5-102, C.R.S. Neither Seller nor Broker have actual knowledge of use of the Property for a methamphetamine laboratory or any potential contamination or suspected contamination by methamphetamine laboratory activity or of any order prohibiting the Property’s use or habitation. Buyer was encouraged to conduct such due diligence as Buyer deemed desirable or necessary in this regard prior to Auction.

13.4.11 Source of Potable Water (Residential Land and Residential Improvements Only). Buyer acknowledges receipt of a copy of Seller’s Property Disclosure or Source of Water Addendum disclosing the source of potable water for the Property. If any water well is to be transferred to Buyer, Seller agrees to supply required information about such well to Buyer. Buyer understands that if the well to be transferred is a Small Capacity Well or a Domestic Exempt Water Well used for ordinary household purposes, Buyer shall, prior to or at Closing, complete a Change in Ownership form for the well. If an existing well has not been registered with the Colorado Division of Water Resources in the Department of Natural Resources (Division), Buyer shall complete a registration of existing well form for the well and pay the cost of registration. The closing service, or if no person will be providing a closing service in connection with the transaction, Buyer shall file the form with the Division within sixty days after Closing. Some water providers rely, to varying degrees, on nonrenewable ground water; Buyer had ample opportunity prior to Auction to contact the water provider to determine the long-term sufficiency of the provider's water supplies.

13.4.12 Colorado Foreclosure Protection Act. The Colorado Foreclosure Protection Act (Act) generally applies if: (1) the Property is residential, (2) Seller resides in the Property as Seller’s principal residence, (3) Buyer’s purpose in purchase of the Property is not to use the Property as Buyer’s personal residence, and (4) the Property is in foreclosure or Buyer has notice that any loan secured by the Property is at least thirty days delinquent or in default. If the transaction is a Short Sale transaction and a Short Sale Addendum is part of this Contract, the Act does not apply. Each party is further advised to consult an attorney.

13.5 General Disclosures and Notices. The following provisions describe general issues which could affect the Property. Buyer should make appropriate inquiry regarding these issues as part of Buyer’s pre-auction inspection and due diligence relating to the Property.

(a) Governmental Regulations, Easements and Subdivision Indentures. Property is subject to all applicable federal, state and county laws, statutes, regulations, codes, ordinances, rules, procedures, restrictions, requirements, easements and subdivision indentures, including, but not limited to, those concerning land use, zoning, construction of improvements, building permits and requirements, architecture, setbacks, height limitations, rights to keep certain vehicles or animals on the property, and allowable/prohibited uses. Buyer is advised to consult with any appropriate governmental agencies or its attorneys, architects or other consultants regarding the applicability and effect of any such restrictions.

(b) Asbestos. Asbestos materials are hazardous to one’s health, particularly if asbestos fibers are released into the air and inhaled. In the past (before 1979, but possibly since) asbestos was a commonly used insulation material in heating facilities and in certain types of floor and ceiling materials, shingles, plaster products, cement and other building materials. Buyer is aware that Buyer should make appropriate inquiry into the possible existence of asbestos on the Property. Structures having “popcorn” or “cottage cheese” type ceilings may contain asbestos fibers or asbestos-containing material. Such ceilings should not be disturbed since it could release asbestos fibers in the air. Any disturbance should be done only by licensed abatement contractors.

(c) Hazardous Waste and Toxic Substances. Federal and state laws place strict liability on property owners for dangers caused by hazardous waste management and may require that such owner pay for the cost of the cleanup of hazardous substances and other toxic substances. Buyer is aware that Buyer should make appropriate inquiries into the current and past use of the Property and should seek an environmental assessment to ascertain the possible existence of such hazardous substances or materials on or under the Property. Buyer is aware Buyer may have liability for hazardous substances located on or under the Property even if Buyer did not cause such substances to be on or under the Property. The U.S. Environmental Protection Agency has a list of hazardous substances, the use and disposal of which are restricted by law. For more information and a list of hazardous substances, contact the U.S. Environmental Protection Agency, Ariel Rios Building, 1200 Pennsylvania Ave., N.W., Washington, D.C. 20460, (202) 260-2090.

(d) Exterior Insulation And Finish Systems (EIFS). Exterior Insulation and Finish Systems — sometimes referred to as synthetic stucco — are multi-layered wall systems applied to the exterior of some homes. Poor or improper installation of EIFS may result in moisture penetrating the surface of a structure where it may cause damage to the building’s frame. Leakage most frequently occurs near doors and windows, gutters, the roof connection and at the lowermost edge of the exterior surface. Vulnerability to leakage depends on structure design as well as the expertise and application skills of the contractor. Damage caused by water intrusion may be both extensive and expensive to repair but may go undetected in the absence of an adequate inspection. Buyers purchasing homes with EIFS construction may seek to engage an inspector experienced in testing for EIFS-related problems who can determine the moisture content of the building’s frame.

(e) Wastewater Disposal. The state in which the Property is located and the individual counties may require upgrades from cesspools to septic tanks or connection of new systems in certain situations. Additionally, the Federal Environmental Protection Agency (“EPA”) has issued regulations requiring that all “large capacity cesspools” be closed and converted to EPA approved systems by April 5, 2005 or face substantial penalties. Buyer should contact the EPA, the state and the individual counties for additional information.

(f) Coastal Property. The Property being purchased may be subject to coastal erosion and to federal, state, or local regulations that govern coastal property, including delineation of the coastal construction control line, rigid coastal protection structures, beach nourishment, and the protection of marine species. Additional information can be obtained from the federal and state governments, including whether there are significant erosion conditions associated with the shoreline of the Property being purchased.

(g) Wetlands. Wetlands are protected by the federal and state governments. Buyer may wish to hire an environmental engineer to investigate whether the Property is located in a wetlands area to determine if permits for plans to build, improve or develop the property would be affected or denied because of its location in a wetlands area.

(h) Neighborhood Conditions. Buyer acknowledges that (1) in every neighborhood there are conditions which different buyers may find objectionable and (2) Buyer has had the full opportunity to become acquainted with all existing neighborhood conditions (and proposed changes thereto) which could affect the Property including, without limitation, land-fills, quarries, high-voltage power lines, cemeteries, airports, prisons, stadiums, odor and/or noise producing land uses, crime, proximity and adequacy of law enforcement, fire protection and other governmental services, schools, commercial, industrial, or agricultural activities, existing and proposed transportation, construction and development that may affect the view, increase traffic or otherwise impact use and enjoyment of the Property.

Airport Noise. Buyers should investigate the impact of airport flight paths and the noise levels at different times of the day over the Property. For more information on airport noise, visit the Colorado Department of Transportation, Division of Aeronautics.

(i) Sex Offenders. State law enforcement and/or corrections may maintain a database of known sex offenders who reside within the area. Information regarding sex offenders may be obtained by contacting local law enforcement or state corrections authorities. Buyer relies exclusively upon Buyer’s own due diligence and inquiry into this issue and Buyer acknowledges having done all of the research that Buyer desires to do or, in the alternative, Buyer waives the right to research this issue prior to entering into this Contract. Buyer unconditionally and irrevocably acknowledges and agrees that Buyer has not relied upon Seller and Broker for any information regarding this issue and Seller and Broker are not required to provide any additional information regarding the proximity to the Property of registered sex offenders.

Colorado Sex Offender Information. The registration of sex offenders in Colorado is governed by the Sex Offender Registration Act, C.R.S. §§ 16-22-101 through 16-22-115. Information about only (a) violent sexual predators, (b) multiple offenders and (c) individuals who have failed to register as sex offenders is made available to the public via an Internet Web site maintained by the Colorado Department of Investigation at <http://sor.state.co.us> or at (303) 239-4222. This information will include all addresses at which the offender resides. Depending on an offender's criminal history, this information may include email addresses, instant-messaging identities, or chat room identities. The public is authorized to gain access to certain sex offender information through the Colorado Bureau of Investigation or by contacting local law enforcement offices in the community where the Property is located. For a list of Colorado local law enforcement agencies, visit <http://www.usacops.com/co> and for a list of Colorado local law enforcement agency websites, visit <http://sor.state.co.us/index.cfm?SOR=home.lea>.

(j) FIRPTA. The disposition of a U.S. real property interest by a foreign person (the transferor) is subject to the Foreign Investment in Real Property Tax Act of 1980 (FIRPTA) income tax withholding. FIRPTA authorized the United States to tax foreign persons on dispositions of U.S. real property interests. This includes but is not limited to a sale or exchange, liquidation, redemption, gift, transfers, etc. Persons purchasing U.S. real property interests (transferee) from foreign persons, certain purchasers' agents, and settlement officers are required to withhold 10 percent of the amount realized (special rules for foreign corporations). Withholding is intended to ensure U.S. taxation of gains realized on disposition of such interests. The transferee/Buyer is the withholding agent. The transferee/Buyer must find out if the transferor is a foreign person. If the transferor is a foreign person and the transferee/Buyer fails to withhold, the transferee/Buyer may be held liable for the tax.

(k) Fair Housing and Equal Opportunity. This Property is being sold without regard to race, color, sex, religion, disability, marital status, family status, sexual orientation, age, ancestry, national origin or to any other protected class(es) in compliance with federal, state and local fair housing and anti-discrimination laws.

13.6 Interpretation And Effect Of This Contract. This Agreement shall be interpreted according to the laws of the State of Colorado without regard to or application of choice-of-law rules or principles. Any legal action or proceeding arising out of or relating to this Agreement shall be instituted in the courts of the State of Oklahoma or United States District Court for the Northern District of Oklahoma, in the city of Tulsa, and the parties hereto irrevocably submit to the jurisdiction of each such court in any action or proceeding. The parties hereto irrevocably waive, and agree not to assert, by way of motion, as a defense, or otherwise, in every suit, action or other proceeding arising out of or based on this Agreement and brought in any such court, any claim that a party hereto is not subject personally to the jurisdiction of the above named courts, that the suit, action or proceeding is brought in an inconvenient forum or that the venue of the suit, action or proceeding is improper. This Contract may be signed in counterparts, such copies taken together shall be deemed to be a full and complete agreement between the parties. CONSUMER GUIDE TO AGENCY RELATIONSHIPS

(Exclusive Seller Agency - Model Policy)

Williams and Williams Marketing Services, Inc.

We are pleased you have selected Williams and Williams Marketing Services, Inc. (Williams and Williams) to help you with your real estate needs. Whether you are selling, buying or leasing real estate, Williams and Williams can provide you with expertise and assistance. Because this may be the largest financial transaction you will enter into, it is important to understand the role of the agents and brokers with whom you are working. Below is some information that explains the various services that agents can offer and their options for working with you:

Representing the Sellers

Most sellers of real estate choose to list their home for sale with a real estate brokerage. When they do so, they sign a listing agreement that authorizes the brokerage and the listing agent to represent their interests. As the seller’s agent, the brokerage and listing agent must: follow the seller’s lawful instructions, be loyal to the seller, promote the seller’s best interests, disclose material facts to the seller, maintain confidential information, act with reasonable skill and care, and account for any money they handle in the transaction. In rare circumstances, a listing broker may offer “subagency” to other brokerages, which would also represent the seller’s interests and owe the seller these same duties.

Representing Buyers

When purchasing real estate, buyers usually choose to work with a real estate agent as well. Often the buyers want to be represented in the transaction. This is referred to as buyer’s agency. A brokerage and agent that agree to represent a buyer’s interest in a transaction must: follow the buyer’s lawful instructions, be loyal to the buyer, promote the buyer’s best interests, disclose material facts to the buyer, maintain confidential information, and account for any money they handle in the transaction.

Dual Agency

Occasionally, the same agent and brokerage that represent the seller also represent the buyer. This is referred to as dual agency. When a brokerage and its agents become “dual agents,” they must maintain a neutral position between the buyer and the seller. They may not advocate the position of one client over the best interests of the other client, or disclose any personal or confidential information to the other party without written consent.

Representing Both the Buyer & Seller

On occasion, the buyer and seller will each be represented by two different agents from the same brokerage. In this case, the agents may each represent the best interest of their respective clients. Or, depending on company policy, the agents may both act as dual agents and remain neutral in the transaction. When either of the above occurs, the brokerage will be considered a dual agent. As a dual agent, the brokerage and its managers will maintain a neutral position and cannot advocate for the position of one client over another. The brokerage will also protect the confidentiality of all parties.

Working with Williams and Williams

Williams and Williams only represents seller. It does not represent buyers of real estate. Therefore, (brokerage) will never act as a dual agent representing both parties in a transaction. Instead, it will only act as the seller’s agent in the sale of real estate.

Even though Williams and Williams only lists properties for sellers, it can still work with buyers as customers. Williams and Williams can provide buyers with non-confidential information and write offers at the buyer’s direction, but will not act as the agent of these buyers. Instead, such buyers will represent their own best interests.

It is also important for buyers to understand that because the listing agent has a duty of full disclosure to the seller, buyers should not share any information with the listing agent that they would not want the seller to know.

Working With Other Brokerages

When Williams and Williams lists property for sale, it also cooperates with, and offers compensation to, other brokerages that represent buyers. Williams and Williams does reserve the right, in some instances, to vary the compensation it offers to other brokerages. As a seller, you should understand that just because Williams and Williams shares a fee with a brokerage representing the buyer, it does not mean that you will be represented by that buyer’s brokerage. Instead, that company will be looking out for the buyer and Williams and Williams will be representing your interests.

Fair Housing Statement

It is illegal, pursuant to the Ohio Fair Housing Law, division (H) of Section 4112.02 of the Revised Code and the Federal Fair Housing Law, 42 U.S.C.A. 3601, to refuse to sell, transfer, assign, rent, lease, sublease or finance housing accommodations, refuse to negotiate for the sale or rental of housing accommodations, or otherwise deny or make unavailable housing accommodations because of race, color, religion, sex, familial status as defined in Section 4112.01 of the Revised Code, ancestry, military status as defined in that section, disability as defined in that section, or national origin or to so discriminate in advertising the sale or rental of housing, in the financing of housing, or in the provision of real estate brokerage services. It is also illegal, for profit, to induce or attempt to induce a person to sell or rent a dwelling by representations regarding the entry into the neighborhood of a person or persons belonging to one of the protected classes. (Effective: 3/25/2008)

We hope you find this information to be helpful to you as you begin your real estate transaction. When you are ready to enter into a transaction, you will be given an Agency Disclosure Statement that specifically identifies the role of the agents and brokerages. Please ask questions if there is anything you do not understand.

Because it is important that you have this information, Ohio law requires that we ask you to sign below to acknowledge receipt of this pamphlet. Your signature will not obligate you to work with our company if you do not choose to do so.
