13. ADDITIONAL INFORMATION		N/A	YES	NO	UN-KNOWN
Do you know anything else about the property that that should be disclosed to the Buyer?		☐	☐	☐	☒

If yes, please provide details in the space provided, below. Attach additional sheets, as necessary.

Upon my purchase of the then one-owner-family property on 1/23/24, the water heater was replaced with a brand new 50 gallon electric water heater; all water lines were thoroughly flushed; a few minor improvements were made to the functionality of the plumbing under the kitchen sink, and a studor vent was installed on the basement sump pump for better efficiency. As noted above, upon purchase I was informed that the septic system was replaced approximately six months prior to my purchase in the summer of 2023, which appeared visually to be accurate based on my findings. The leech field is located parallel to the home and approximately ten or so feet in from the side fencing, beginning behind the plum tree at the side driveway (location approximate) and proceeding straight toward the back fencing.

Additional Upgrades to the home & property have included: a new metal roof in the past several years, newer energy efficient windows throughout, an updated main bath with new seated shower, vanity, toilet and stylish barn doors, updated wood laminate type flooring in all main living areas, quality ceiling fans & light fixtures, storm doors, and a NEW 50 gal electric water heater. The newer metal roof I was told was approximately five or so years new when I purchased. As a matter of record, I have NO documentation of prior work on roof or septic, only "hearsay" knowledge as to what I was told and accepted as true. As well, I have no knowledge of prior uses of the home and property. The information I have is that it belonged to a large family who originally built it in 1977, and lived there until I purchased in 2024, with a short vacancy in between due to the loss of the family's matriarch. I have no knowledge of any other improvements or modifications outside of those outlined herein; or of any potential issues, prior tenancies, property uses, any animals at property, or anything else pertaining to the property, as I had only owned and lived on the property for a relatively short period of time, with ZERO occurrence of any type of property issues during my time there. To the best of my knowledge, this has been a very well kept and cared for home and property.
